Jesus returns to Nazareth

In today's Gospel we encounter the story of Jesus returning to Nazareth, where he had grown up. He began teaching in the synagogue, and his fellow villagers were astonished by his wisdom. However, their familiarity with him, led to disbelief. They said, "*Isn't this the son of the carpenter and Mary? Where does he get all this wisdom?*" (Mark 6:3).

Here are some key points upon reflection of this Gospel passage:

Knowing vs. Recognising: There's a difference between knowing someone and truly recognising them. The villagers knew Jesus, but failed to recognise his uniqueness. Sometimes, we think we know a lot about a person based on external factors, but that superficial knowledge doesn't reveal the person's true essence.

The Danger of Prejudice and Habit: The villagers allowed their convenience of habit and their prejudices to cloud their perception of Jesus. When we cling to our own ideas and refuse to be open to what is new, we miss out on God's surprises.

Faith and Amazement: Faith should be open to God's surprises. Without amazement, it becomes a monotonous routine. Let's avoid reducing our relationship with Jesus to mere repetition; instead, let's remain open to his transformative presence.

Remember, faith invites us to be open, amazed, and willing to encounter God in unexpected ways. Let's strive to recognise Jesus beyond our preconceptions, and allow his wisdom to transform our lives!

Stakeholder Update: *families at St. Bede's; families in our feeder schools; parishioners:*

Dear Parents and Carers - As many of our families will be aware, this year is a special year within the Catholic church as it has been decreed as a Jubilee Year. The focus for the Jubilee Year is Pilgrims of Hope and we are encouraged to explore the themes of forgiveness, reconciliation and pilgrimage.

One way schools are being encouraged to engage with the themes of the Jubilee Year is to reflect on their school's mission statement and I am pleased to share with you some of the important work we have completed as a school community to do this.

This Jubilee Year has given us the opportunity to prayerfully consider what it means to be a Catholic school in today's world. As a result, we have developed a refreshed set of **Core Values** that will guide everything we do at St. Bede's – from the way we learn and teach, to how we treat one another and serve our wider community.

These **Core Values** now form our mission statement. We have worked with students and staff to create these values and sought to use both a mnemonic ST BEDE and carefully chosen wording so our values are accessible and memorable for all in our community.

These values are rooted in the Gospel and are reflected in our new **St. Bede's School Prayer**, written by members of our school community and to be used regularly in prayer and worship.

Partnership Prayer

*Risen Christ, from your abundant grace,
pour out afresh your Holy Spirit upon our Diocese.
As we build on the deep foundations of faith
laid by the countless saints of these Northern lands,
by Aidan and Cuthbert, Hilda and Bede
may our Partnerships continue the mission
of building your Kingdom on the earth:
to give living witness to your love,
and to your compassion and hope for our world.
We pray in trustful confidence that your power working in us
can do infinitely more than we can ask or imagine.
Who live and reign forever and ever. Amen'*

Prayer for Spiritual Communion

*My Jesus I believe that you are present in the most Holy Sacrament, I love you
above all things and I desire to receive you into my soul. Since I cannot at this
moment receive you sacramentally, come at least spiritually into my heart. I
embrace you as if you were already there and unite myself wholly to you, never
permit me to be separated from you. Amen'*

A Prayer for Peace by Pope John Paul II

*Hear my voice, for it is the voice of the victims of all wars and violence
among individuals and nations.*

*Hear my voice, for it is the voice of all children who suffer and will suffer
when people put their faith in weapons and war.*

*Hear my voice when I beg you to install into the hearts of all human beings
the wisdom of peace, the strength of justice, and the joy of fellowship.*

*Hear my voice, for I speak for the multitudes in every country
and in every period of history who do not want war are ready to walk the road
of peace.*

*Hear my voice and grant insight and strength so that we may always respond
to hatred with love, to injustice with total dedication to justice,
to need with the sharing of self, to war with peace.*

O God, hear my voice and grant unto the world Your everlasting peace. Amen'
